28 July 2019 · 🌐

Congratulations to Julie Pozzoli who is one of our Professional Business Woman of the Year finalists! 🌟

Julie is the current Principal of **Caloundra State High School**, having been at the school since 2012. Julie has been in school administration since 2000 and uses her wealth of experiences to position Caloundra State High School as a school of choice.

Having forged leadership capability the hard way - her school Innisfail State High School was destroyed by Cyclone Larry after she had only been Principal for 8 weeks, Julie rebuilt the high school and then went on to design and open a new state of the art Innisfail State College as Director for the College.

A move to the Sunshine Coast saw her transform a traditional high school into an institution that is seriously in the business of learning.

With over 1200 students and roughly 150 staff, Caloundra State High School is considered a School of Choice by the community.

Good luck Julie! [See less](#)
